Instructions for Authors of SBC Conferences

Luciana P. Nedel¹, Rafael H. Bordini², Flvio Rech Wagner¹, Jomi F. Hbner³

Instituto de Informtica – Universidade Federal do Rio Grande do Sul (UFRGS)

document

abstract This meta-paper describes the style to be used in articles and short papers for SBC conferences.

For papers in English, you should add just an abstract while for the papers in Portuguese, we also ask for an abstract in Portuguese (“resumo”). In both cases, abstracts should not have more than 10 lines and must be in the first page of the paper.
